The floor plan shows a house with a large front porch leading into a dining area (9' x 9'). To the left of the dining area is a kitchen with a built-in desk and workspace. A powder room is located near the workspace. The living area is adjacent to the kitchen and opens up to a large patio (12' x 12'). To the right of the living area is a master bedroom with a closet and a linen closet. A laundry room is located between the master bedroom and the garage. The garage is a large space on the right side of the house. There are three bedrooms in total: Bedroom 1 (12' x 12'), Bedroom 2, and Bedroom 3. There are also three bathrooms: Bath 1, Bath 2, and Bath 3. The plan includes various closets and storage areas. Dimensions are provided for several rooms and the patio. Arrows indicate the entrance from the porch and the location of windows and doors.
